

**Ft. Pierre Livestock Market Report — Friday, July 10th, 2020**

Had a large run of weighups, 7 weighup buyers, cows considerably higher, bulls strong  
Had a nice summer run of feeders, good crowd of buyers, and a fairly active market,

Better kill cows \$67 to \$77 -young feeding cows & cowetts to \$92-hfrtts to \$95 low  
yielding & big bellied cows \$58 to \$67 - shells below \$58 –bulls-low end \$78 to \$88-  
better end \$88 to \$99.50

We, and a lot of other people think the NCBA is closely aligned with the major packers. The only way to take away their influence in the U.S. Government is to take away their millions of dollars they receive in checkoff money every year.
