Should your Beef Checkoff \$\$ advertise USA Beef...??? WE THINK SO!!!!

Currently your checkoff dollars are used to promote imported beef as well as domestic.
The NCBA is the main contractor for your checkoff dollars. We, and a lot of other people think
the NCBA is closely aligned with the major packers. The only way to take away their influence
in the U.S. Government is to take away their millions of dollars they receive in checkoff money
every year.
