

Ft. Pierre Livestock Market Report — Friday, August 16, 2019

Good run weighups, on a higher market. Had a light run of feeders, mostly part loads & packages. Market was definitely lower compared to our last feeder sale 3 weeks ago, due to the royal screwing we took from the fat cattle packers, with the help of the commodity cowboys earlier this week. It appears that fat cattle packers had over \$700 gross profit margin on fat cattle as of Friday morning. That is criminal!!! If these packers get our feeders broke and all under contract, just like they did the hog producers, then the party is over and you aren't going to like the clean up!!! Call your Senators & Representatives and your Governor and tell them to stop this crap. Call the Packers & Stockyards Administration and the US Dept of Justice and tell them to do their job enforcing the laws against monopolistic practices, collusion & price fixing in the cattle industry by the major packers.
Your livelihood depends on it!!!

Better kill cows \$68 to \$77 – young feeding cows, cowetts & hfretts to \$85 on limited test
 low yielding & big bellied cows \$57 to \$68-mostly \$60 to \$68 - shells below \$60
 bulls low end \$77 to \$86 -better end \$86 to \$97.50- cutting bulls to \$102
