

Ft. Pierre Livestock Market Report — Friday, Marh 6th, 2020

Short quite a few consignments, mostly due to very uncertain market conditions, but still had a nice run of cattle, and a good crowd of buyers, with pretty fair action on the grass cattle, but lots of pressure on the heavier fleshier cattle. And to think our government just opened up imports of fresh meat from Hoof and Mouth ridden Brazil and also Namibia, Africa, and thanks to the loss of country of origin labeling, that junk, along with all this other imported meat and cattle will all be labeled Product of U.S.A.
