

Ft. Pierre Livestock Market Report — Friday, March 27th, 2020

Had a good run of weighups, 5 weighup buyers, market roughly steady. Had a nice run of calves and yrlgs, and a good crowd of buyers. Considering the late week 7 to 9 dollar crash on the board, we had a pretty active market. Apparently, the major beef packers think they have bought off a real investigation. Get involved and make some noise!!!! Contact your congressional delegation and the US Dept. of Justice. It's time the packers quit stealing billions of dollars out of this industry through criminal business practices.

Better kill cows \$63 to \$71.50 – young feeding cows & cowtts to \$86 - hfrs & hfrtts to \$120.50 – low yielding & big bellied cows \$50 to \$63 –mostly \$55 to \$63 –bulls low end \$74 to \$84 – better end \$84 to \$100 – Baby calves \$325 to \$385
