

Ft. Pierre Livestock Market Report — Friday, June 5th, 2020

Had a big run of cattle, large crowd of buyers, and a very active market for our 23rd annual WLAC Anniversary Sale. We would like to thank all the consignors and buyers, as well as the entire Ft. Pierre Livestock crew, for making this sale another big success. Also, a big thank you to World Champion Livestock auctioneers Russell Sleep, Kyle Shobe and John Schaben for a tremendous job!

The stealing goes on, just at a slower pace. Packers gross revenue as of Friday June 5th, 2020 was approximately \$166 live equivalent, and average bids on a very limited amount of cattle were around \$105 to \$110 live. It appears packers gross profits are still around one thousand dollars per head- including the hide and offal. Cattle feeders are getting royally screwed and consumers are still getting gouged.

On the upside...The US Justice Department just issued subpoenas for the heads of 4 major packers. Also, lots of talk in D.C. about renewing Mandatory Country of Origin Labeling. And also, lots of rumbles about a referendum vote on the Beef Checkoff. We don't need bandaids - we need our broken marketing system fixed. Keep up the pressure!!!
