

Ft. Pierre Livestock Market Report — Friday, August 14th, 2020

Had a light run of weighups, 6 weighup buyers, cows roughly steady-bulls several dollars lower.

Better kill cows \$69 to \$76- hfrtts & cowtts no test - low yielding & big bellied cows \$60 to \$70- shells below \$60- bulls low end \$80 to \$85- better end \$85 to \$92.50-no test on top.

Today Aug 14th, estimated packer live equivalent, including hide off-fall is \$140 per hundred. Reported bids of \$105-106 per hundred, well over \$500 per hd gross profit on 1500# str or hfr, result of no competition in packing industry, probably due to collusion – price fixing as a result of monopolization of the packing industry. Sounds like criminal activity to me. Wake up US Department of Justice, Are you all bought and paid for???

WEIGHUPS
