

Ft. Pierre Livestock Market Report — Friday, April 23th, 2021

Had another good run of weighups, 5 weighup buyers, market weak to lower. Also had a large run of grass & feeder cattle, a large crowd of buyers, but a market lower on most classes.

Everyone is talking about the 6 plus dollar corn, but the real story is that the Packers are sucking around \$1300 per head out of the industry again, in my opinion, through criminal price fixing, and leaving our feeders to twist in the wind, and our politicians and bureaucrats seem happy to sit back and watch it happen. Friday, April 23-Packer gross live equivalent is \$208.32. Live bids around \$121. Do the math.

Better kill & feeding cows \$67 to \$77 - young feeding cows and cowetts to \$86 - old crop hfrs & hfrtts to \$114 - low yielding & big bellied cows \$56 to \$67 – mostly \$60 to \$66 – shells below \$56 – Bulls – low end \$83 to \$88 – better end \$88 to \$101.50 – cutting bulls to \$127.50
