

Ft. Pierre Livestock Market Report — Friday, May 7, 2021

Had a large run of weighups, 6 weighup buyers – market steady to a little lower. Large run of calves and yearling – good crowd of buyers, everything considered, a very active market.

Better kill & feeding cows \$66 to \$76.50 - young feeding cows and cowetts to \$88 - hfrtts to \$109 - low yielding & big bellied cows \$55 to \$67 – mostly \$57 to \$66 – shells below \$55 – Bulls – low end \$82 to \$89 – better end \$89 to \$96 – cutting bulls to \$125.

\$224 fat cattle live equivalent.....

That is the estimated equivalent of the gross packer revenue on fat cattle. Fat cattle bids Friday were \$119 live. That's \$105 per hundred weight difference on fats. 1500# x \$105 equals \$1575 per head. Packers gross revenue is approximately \$1575 per head as of Friday. Looks to me like producers are taking it in the shorts, and the consumer is paying the bill. The multinational Packers are laughing all the way to the bank!! Last I checked price fixing and collusion were illegal...Call your Congressman and tell them we need Packer reform. 50/14 legislation and MCOOL are a must if the independent cattle producers are going to stay in business!!
