

Ft. Pierre Livestock Market Report — Friday, September 10th, 2021

Had a good run of weighups, 5 weighup buyers, market roughly steady, except bulls, which were higher. Had a good run of yearlings, including a ton of packages, and a light run of calves, mostly part loads & packages. Although the market was weak to lower than 2 weeks ago, there was still pretty good demand on the loads, with the most pressure on the packages.

Better kill & feeding cows \$68 to \$82 – young feeding cows & cowtts to \$85.50 – hfrtts to \$98 on limited test. Low yielding & big bellied wet cows \$56 to \$70 - mostly \$58 to \$68 - shells below \$56. Bulls – low end mostly \$80 to \$89 – better end \$89 to \$102 - cutting bulls to \$111.
