

Ft. Pierre Livestock Market Report — Wednesday, October 27th, 2021

We were short a large number of calves, due to muddy roads, but still had a fair run of cattle, with a decent crowd of buyers. We are always thankful for moisture in this part of the country, but it also soaked a large amount of the feeding areas overnight, and certainly diminished demand – market was mostly lower.

CALVES – NFS=No Fall Shots		wt	cwt
