

Ft. Pierre Livestock Market Report — Friday, April 12th, 2024

Big run of feeders sold mostly lower due to the downward pressure on the board the last couple of weeks. Evidently the hired man getting a mild case of pink eye from the milk cow that got bird crap in her eye is a cause to run the cattle market down for hard working producers!!

Overall, the feeders still dollared up pretty good. Also had a big run of weighups, cows mostly lower, and bulls were roughly steady. Big Thank You to all the Crew, and a Big Thank You to all the Buyers & Sellers!!

Better kill & feeding cows \$136 to \$150 - young feeding cows & cowtts to \$155 - hfrtts to \$226 - low yielding & big bellied wet cows \$121 to \$135 - rough/shelly & blemished cows below \$121 - better bulls \$145 to \$159, lower end bulls \$135 to \$144 - rough & shelly bulls below \$135.
