

Ft. Pierre Livestock Market Report -- Friday, Oct 17th, 2025

Big run of feeders saw a very strong market considering the Board was down over 9 dollars on feeders today, after Trump announced that beef was too high and he made a deal with Argentina to help lower beef prices. Maybe someone should tell Trump that it is about time Producers actually got paid for the Hard Work they put into raising cattle here in the USA!!! We definitely don't need to be covered up with imported beef from a 3rd world country to wreck our good market... Big Thank You to all the Crew & a Big Thank You to all the Buyers & Sellers!!
